## 3 Items of evidence

DUO must assess whether you qualify for a recognized Dutch title. For this purpose, it requires a number of documents. Please do not send in more information than requested. DUO will contact you if more information is needed.

3.1 Please enclose the following documents

• Curriculum vitae (containing a chronological overview of your study programmes (after primary education))

---

• Photocopy(ies) of your secondary education diploma(s)

---

• Photocopy(ies) of your higher education diploma(s) <sup>1</sup>

---

• Photocopy(ies) of your list of grades, transcript, index, belonging to your higher education diploma(s) <sup>1</sup>

---

• Recent extract from the municipal personal records database > You can obtain this at the city/town hall (Bureau Burgerzaken) in your municipality

---

• Copy of your valid identity card

---

<sup>1</sup> When these documents are not drawn up in the Dutch, English, French or German language, you must enclose a certified translation. These are translations made by a translator, certified in the Netherlands or in your own country, that bear the translator's stamp. The translation must be attached to the source document in the source language. Applications without such translations are not processed.

## 4 Signature

4.1 Do you grant DUO permission to make inquiries about your educational documents at the foreign educational authority responsible for issuing these documents?

Yes

---

No

---

4.2 Do you grant DUO permission to investigate the authenticity of the educational document(s)?

Yes

---

No

---

I declare that I completed this application truthfully and that the diploma(s) submitted by me have been issued to me in the country of origin according to the locally prevailing regulations. The diploma(s) hereby submitted has/have been obtained at the institution/institutions stated on this diploma/these diplomas and has/have been received by me personally from this institution/these institutions.

On request, I will submit the original documents that are legalized or bear an Apostille. I am proficient in the English language and have understood the present text. Any parts of this text that I did not understand, I had translated in my national language, after which I understood the text completely.
